

Pam Druhen: Landscape for Read Supply List

Freezer Paper

Pencil

Sharpie Ultra Fine Point pen

Scissors for fabric and paper

Fusible Web-1-1/2 yards of Pellon 805 (Wonder Under Adhesive Web) available from Jo-Ann's and Walmart (I will have some which can be purchased if you can't find it).

15 x 22 piece of muslin or white PFD fabric

A mix of fabrics:

Scraps-6" square or larger. Look for interesting textures, tone on tones, batiks. You will need a mix of values...light to dark. The more the better. Variety is going to be your best friend. Remember to include a couple of sky fabrics. We will be working in a variety of seasons. Color parameters for the seasons are:
Spring--delicate colors, pastels, browns, grays, tender yellowy greens.
Summer--pure colors brights, cool shades (greens with blue undertones.
Fall--Warm colors, yellow undertones, intense shades of rust, gold, orange.
Winter--gray tones, blues whites, creams, lavender.
