

Supply List for Catherine Gentile workshop-December 3, 2011

1 woman's sweatshirt of good quality at least a size too large as it will shrink Color will show through so choose a sweatshirt which coordinates with your fabric choices. Catherine suggests Champion or similar quality. Mens sweatshirts are large through the shoulder and create unnecessary bulk.

Quilters basting glue (no gluesticks). Roxanne a good brand but whatever basting glue you choose must wash out.

Chalk pencil or chalk wheel to contrast with sweatshirt color

Sweatshirt jacket pattern. Available at Button Box.

8 fat quarters or 1/4 yards pieces of your color choice

Rotary cutter, mat, 24" ruler

Bobbin wound with sweatshirt-colored thread

Spool of YLI Varigated thread or similar machine quilting thread to coordinate with fabric

Sewing machine

Workshop participants will receive instructions for precutting material.
